What is Worship?

By Pastor Mike Sanders

Worship is when we give all glory and praise to God for who He is, what He does, and what He says. As a part of worship, we are encouraged to enjoy and savor God's glory. The birth and establishment of the church is part of the redemptive plan that God has activated to call to Himself a people from all nations to worship him. One day we will stand before the throne with God's people from all ethnic groups. *"... out of every kindred, and tongue, and people, and nation"* (Revelation 5:9 KJV).

Pastor Mike Sanders

The purpose of our gathering as followers of Christ is to relish, revel, and rejoice in the greatness of our Savior as we come together to worship Him. We worship God by getting caught up in what we know about Him.

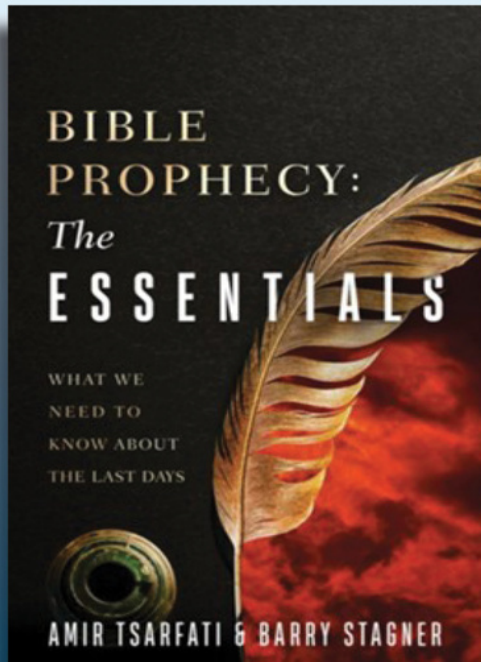

Many believers are apathetic and disengaged in corporate worship. Rather than consuming music, the true worshipper of Christ should participate in expressing glory to God. God calls us to corporate worship. This call is not to be taken lightly.

How does this impact you?

Worship is hollow if we cannot see and savor God. The Lord and God of our lives, Jesus Christ, deserves to be praised actively and sincerely in every way. *"Not unto us, O LORD, not unto us, but unto thy name give glory, for thy mercy, and for thy truth's sake"* (Ps 115:1 KJV). God alone must have the glory! ●
